Fabric Care

Fab-X Evolving as an
'Xtra care for your fabric'

We understand your fabric deserves a special treatment and a long lasting experience of softness.

Fab-x softener and sanitizer provides excellent softening for all types of fabrics. It makes Fabric fluffier and fragrant with the application in last rinse to provide residual sanitization. Fab-x provides a complete conditioning to the clothes.

Fab-x with highly active ingredients neutralizes the negative charged particles in scratchy fabric. It helps complete your cleaning action and ensure effective washing. Fab-x stands as a Color Guard that helps to retain color brilliance with protecting fabrics from discoloration and fading. It relieves the fabric from washing powders odor and offers improved fragrance to the fabric which remains on fabric even after linen is dried at high temperature.

Fab-x is suitable for application on all types of fabrics and also towels, napkins, bed sheets, baby wear etc.

Fab-x gives a wonderful experience of being confident about what you wear today.

Personal Care

Evos uncovering
Evolution of Personal care...

Evos has emerged as a total healthcare solution. The range of Hand Cleanser and sanitizer pertain to increase hygiene practices. The premier purpose is to cleanse the hands of pathogens (bacteria or viruses) and chemicals which can cause personal harm or disease.

Evos has evolved as an advanced Hand sanitizer with active-ingredients, helps optimal disinfection attention to all exposed surfaces such as around the fingernails, between the fingers, on the back of the thumb, and around the wrist. There is nothing closer to us than our own skin.

Evos has expanded to Body Care, Daily Care and Special Care, formulated for skin activating complex that blend to purify, replenish and moisturize the skin making it soft and graceful. The added moisturizers prevent moisture loss and give a gentle skin polishing effect. Clinically proven it is non-greasy, light and fast-absorbing, hence suitable for all types of weather and skin. Evos leaves skin supple, soft and delicately scented with exotic combinations.

Evos helps to Pamper your skin more..

- Hand Cleanser & sanitizers prevents germs and bacteria.
- Lotions re-hydrate the skin and replenish spots.
- High-active ingredients are more effective.
- Cost-Effective
